

ELIZABETH VALE SCHOOL NEWSLETTER

TERM 1 WEEK 7 2022

NEWS FROM MS CHRISTIE

In Term Three of last year, Elizabeth Vale Primary School staff participated in a cultural competency training day. During the day, we set ourselves goals to work toward improving our cultural understanding and responsiveness.

In the Preschool, one of our goals was to make the home corner space more culturally inclusive.

Staff from all over the school contributed their thoughts and perspectives about what a home looks like in their culture. With the guidance of Miss Alice, Miss Capi, Miss Jwan and Mr. Mohan, we purchased homewares, clothes and decorations belonging to the different cultures of our preschool students.

This year, we unveiled the new and improved space to the children. We have loved watching the children play in the new space, and teachers and students are sharing and learning a lot about each other. We are very proud to have taken this step on our cultural journey and are looking forward to continuing to learn and grow as a team.

Mofflin Health and Wellness Reserve Design concept for consultation

The Mofflin Health and Wellness Reserve will be developed within the southern section of Mofflin Reserve at Elizabeth Vale, which is located approximately 100 metres from the Lyell McEwin Hospital.

The northern parts of Mofflin Reserve are used for sports activities and the development of the southern end will create access to informal recreation opportunities for residents, workers and visitors to the area.

The draft design focuses on encouraging people of all ages and abilities to be active, as well as providing quiet space for rest, reflection and recuperation. This project will transform vacant and underutilised space into a welcoming community destination.

The State Government has contributed \$2M to this project through its Open Space Grant Program. The total upgrade cost is approximately \$4.6M.

Concept design features:

- Walking/jogging loop track
- Pedestrian pathways with lighting
- Playspace including obstacle course, flying fox, nature play and all-abilities equipment
- Retention of existing trees and additional tree planting
- Fitness node and basketball key
- Irrigated kick about area
- Seating, shelter, BBQs, drinking fountain, bins and toilet
- Raised garden beds and quiet seating area
- On and off-street car parking
- CCTV

Have your say

Provide feedback in the following ways:

Chat with project staff who will be at the Elizabeth Vale Shopping Centre, 44 John Rice Avenue, at the following times:

- Tuesday 15 March, 10am – 12pm
- Thursday 17 March, 4pm – 6pm

By post:
Mofflin Health and Wellness Reserve

More information
Visit playford.engagementhub.com.au for more information about the project. Construction is anticipated to commence in late 2022 and be completed in 2023.

Inside this newsletter you will see a competition sheet in connection with the new proposed Mofflin Health and Wellness Reserve.

Students are encouraged to draw their favourite thing to do at a playground or park.

Please return this sheet to the school office by the Monday 21st March.

These forms were sent out last week.

HELP US TO HELP YOU

Update Update Update.....

If you have changed your address, home phone number or mobile number or would like to update any emergency contacts please contact the School's front office on 82551307, this makes it so much easier to contact you if we need to.

All Year 6 students, please make sure we have your family email address, this makes it easier for the High School transition process. This can be given to the Front Office staff

The Early Years Classes

In Room 14, 15 and 16 we have been focusing on the text 'The Very Hungry Bear'. The main characters are the brown bear and the polar bear. We have learnt about the bears appearance, habitat and diet.

Below are photos of some of our beary exciting learning:

Looking at the polar bears iceberg shrinking

Room 16

Being brown bears in the cave.

Room 14

Looking at our wall on bears.
