TERM 2 WEEK 3 2022

NEWS FROM MS MEL

Community Hub Update

It is exciting to be starting our Playgroup on Wednesday afternoons from 1.30pm to 2.45pm from Week 3, 18th May in the Preschool. Due to COVID restrictions this will be the first session for the year. All families are welcome!

Next week on Friday, we will be starting a Beginner English language class for parents through our Community Hub. Numbers are limited to 20 adults. Child minding will be available for the lesson time.

Interested parents are asked to meet at the Community Hub at 12.30pm on Friday 27th May.

NAPLAN

Congratulations to students in Year 3 and Year 5 on completing the NAPLAN testing cycle this year. Year 3 and Year 5 students both sat the tests for the first time online this year.

Our School Values: *Respect—Honesty—Excellence*

Our school has been chosen by SA Health as one of 40 school sites in South Australia to be a COVID-19 vaccination hub to help eligible people to get vaccinated. The hub will be available for our students, staff, families and the wider community.

This is an opportunity for you and your child/ren to be vaccinated if you would like to but haven't yet had the opportunity. The clinic will also be offering booster vaccinations to adults and the second vaccination for children who are yet to receive theirs.

All students aged 5 and over and their families are eligible to be vaccinated. Students can only be vaccinated with a parent or legal guardian present.

Consent to be vaccinated must be provided by the parent or legal guardian to the vaccination provider on the day. The consent form is quick and easy to do online via a QR code. Paper consent forms will also be available.

A weekend community clinic will also be held at our hub. Students and family members, including from other surrounding schools can attend.

The vaccination team will deliver the first dose of the vaccine and return later to deliver the second dose for eligible children.

The vaccination hub at our school will be open:

First dose: Friday 10th June & Saturday 11th June

Second dose: Friday 12th August & Saturday 13th August

The clinic will be open from 12.00pm to 5.00pm on Friday for students and their families and 10.00 am to 4.00pm Saturday for the general community.

Being vaccinated against COVID-19 is one of the best ways we can protect ourselves and our community.

More information about the COVID-19 vaccination program, a letter from Professor Nicola Spurrer and some frequently asked questions will be available shortly at COVID-19 (coronavirus)(education.sa.gov.au)

In Room 8 we have been practicing different stretches to help our balance, strength, attention, coordination and flexibility. We have also been exploring different interoception activities to support self-regulation.
