Student Free Day

News from Ms Julie

It has been a smooth start to the 2024 school year. Students and staff have been busy getting to know each other and setting up spaces and learning programs. This term we are focussing on Music and Dance as our shared whole school theme. We have drumming, band and song writing experiences occurring across the school during term 1. You may have noticed we have some redevelopment happening in the central yard, we hope for this to be finished by the end of February. Thanks for your patience while this area is fenced off. The new area will offer more seating, shade and greenery.

Please make sure you have provided the front office with updated phone numbers for your and any other emergency contacts for your children. It is the time of the year to start completing your school card applications or talk with Tracey if you need a payment plan for school fees.

All schools have a Governing Council, a group of parents who meet with me 2 times a term, during the school day for about an hour. At these meetings, I share things about the school and ask them for feedback. If you are interested in being on our Governing Council please let me know or let Ms Pam at the front desk know.

Looking forward to another great year with everyone at Elizabeth Vale.

Be Kind, Work Hard & Read Lots!!

Kind Regards Ms Julie
