New Playgrounds coming in 2025
Construction begins Christmas holidays

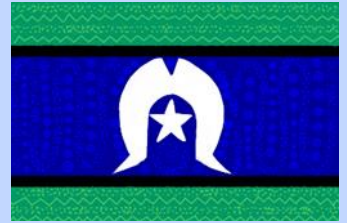

Construction of our new Primary and Junior Primary playgrounds will commence during the Christmas break. We can't wait to see the students enjoying the new spaces in 2025.

Aboriginal STEM Congress

2024

The STEM Aboriginal Learners Congress, which kicked off at the Adelaide Convention Centre, saw about 1,000 Aboriginal students and their teachers from 178 schools across the state, come together to hear from leading Aboriginal STEM thinkers.

Students and teachers participated in cultural workshops, seminars, networking activities and hands-on learning at some of the state's iconic destinations, such as the Adelaide Zoo, Adelaide Botanic Garden, SAHMRI Building, Australian Space Discovery Centre and the MOD.

Students had a great two days and loved their experience!
