From Ms Julie

Welcome to the 2025 school year. It has been a hot start to the year, we are lucky to have good air-conditioning and lots of shaded outdoor areas at our school. Students have enjoyed playing on our two new playgrounds. I am super proud of how well all our students and staff have begun this year.

This term we are learning about the human brain and how we learn. We want students to understand how they best learn, their learning strengths and their next steps.

Governing Council Thursday 6th March at 9am will be our AGM. We invite any parents that are interested in joining the Governing Council to come along. Meet in the Front Office.

Safety at school pick up times. To keep our children safe we need everyone to follow the parking and road rules. Too many cars are being unsafe at pick up time. Both the council and the police have been contacted to come and help manage people doing the wrong thing. Cars parked in the wrong places will be fined. Everyone needs to be patient and safe to look after our children.

I look forward to another great year with all the children, families and staff at our amazing school.
