NON-Department for Education External Service Provider Policy

Elizabeth Vale School and Preschool does not permit Non-Department for Education external service providers to conduct face to face therapy sessions onsite.

Elizabeth Vale School and Preschool recommend parents/carers seek appointments from these service providers for sessions before or after school hours.

The reasoning of the school's Non-Department for Education external service provider policy:

- Logistically complicated to manage and track many providers coming onto the school site given our student cohort and learning environment
- Administration time
- Provision of an adequate space that complies with line of sight and duty of care
- Additional responsibility placed on teaching and non-teaching staff in monitoring situations and students
- Impact on student learning time

Parents/Carers/Guardians are made aware of this policy through:

- New enrolments meetings
- School newsletters, website, notices
- During family/parent meetings or as circumstances arise

Non-Department for Education external providers may be permitted onto the school site occasionally in a consultative capacity when:

- Informed parental consent is provided and cited/recorded by school
- Purpose and timing of the visit has been discussed with school staff and approval from leadership has been sought
- Proof of registration and provider number of appropriate association is cited/recorded by school
- Insurance indemnity and ABN has been cited/recorded by school
- Current working with children check and RRHAN is cited/recorded by school
- Additional to this, is proof or exemption of COVID vaccination cited

Approved by Governing Council 2020 & ratified in 2024

reminder

24th March to 28th
March Swimming for
Rec, Yr 1 & Yr 2
students

From Ms Nina

Our Block 2 building has a new mural that was created with several of our year 5 & 6 girl students. The mural was designed around the theme of kindness, which is one of our schools core values.

The students worked with Jasmine Crisp a local South Australian artist to design the new piece. As you can see by the image, the art incorporates cultural inclusivity, friendship, gift giving, nature and our very own Boo Boo pup from Miss Bec's classroom.

We'd like to thank all the students that were involved in the project for their inspirational ideas, we think they've done a wonderful job.

Kaurna Day excursion

First Nation students attended an unforgettable day of learning, dancing and playing in a unique environment to celebrate Kaurna heritage at the University of Adelaide.

Students were able to weave bracelets, play Kaurna games, interact with animals, create silk paintings and took part in a dance workshop.

Diary Dates

Monday 24th March-Friday 28th March
